

GRAND ARMY BUGLE NOTES

COLONEL HENRY HUSS'S APPOINTMENT

A FAMILY EXCURSION TO GETTYSBURG—MEETINGS, REUNIONS AND ANNIVERSARY CELEBRATIONS.

The recent appointment of Colonel Henry Huss on the staff of the National Department Commander has brought to him congratulations from many of his old comrades, who recall incidents of the camp and of even later days of association with him on his summer-holiday island in Long Island Sound, near Port Chester. None of these letters can, however, be more dearly prized than one received from the late General Horace A. Noble, written to Colonel Huss upon his appointment as postmaster at Mount Vernon by the Rev. Mr. Garrison.

The Rev. James W. Putnam, pastor of the Trinity Baptist Church in Fifty-fifth-st., near Lexington-avenue, did not occupy his pulpit yesterday, but this place was filled by the Rev. Mr. Guernsey.

At the close of the services the church members were required to remain. The object of this request was made apparent in an explanation which it was deemed worth while to make of the pastor's absence, as otherwise it might be thought he had fled up or was keeping in hiding to avoid arrest upon his rumored indictment for malicious libel. It was explained that he left the city on Saturday night in order to be present at the commencement exercises of Bucknell University, at Lewiston, Penn., of which he is a trustee. His departure had nothing to do with his alleged indictment, but it was said, was pursuant to a plan he had arranged several days ago. He would, it was said, be back on Thursday or Friday, and then be prepared to meet any charges the Grand Jury or anybody else might make against him.

Meantime the church members were urged by those addressing them, but whose names were withheld, not to let their trust in their newly chosen pastor waver. It was represented as very clearly the fact that, if any indictment had been filed against Mr. Garrison, he was the unquestioned victim of Dr. Daniel of Potter, of the Baptist

As a manifestation of the continued confidence in Mr. Garrison and the dislike of Mr. Potter, it was voted to send a resolution to send a deputation to sit in a council to be held of Baptist churches. This action was said to be because the Baptist Tabernacle Church was to be represented by the Tabernacle members of the Trinity Church have made up their minds to be connected in no way with the Tabernacle Baptist Church.

THE STATE OF TRADE.
